The Muransky Companies 13th annual United Way Bass Classic will be held on Saturday, June 2nd at Evans and Pine Lakes.

The Muransky Companies United Way Bass Classic Facts

This fundraising pro-am tournament hosted by Aqua Ohio, was developed to provide awareness and raise money for the valuable programs supported by the United Way of Youngstown and the Mahoning Valley as well as provide a meaningful outing for anglers.

Proven Results

The first twelve tournaments have raised over \$150,000 for the United Way.

Pro-Am Competition

In our popular pro-am format, amateur entrants will be paired in a speedy bass boat with a pro partner and compete for prizes and trophies. Amateur anglers' entry fee is a \$300 donation to the United Way and pro anglers' entry fee is \$150.

Here are a few of the features for our participants at the 2012 Muransky Companies Bass Classic:

- They will receive an overstuffed goodie bag and event t-shirt
- Great fishing on one of Aqua Ohio's super bass lakes
- Invitation to Pre-event mixer to be held the evening before
- We will have hot coffee and doughnuts in the morning; lunch at the afternoon weigh-in
- Loads of fun and the satisfaction of helping our local United Way

Fun for All

On the day of the tournament, we will be hosting a Kids' Fish & Fun Event at Evans Lake where we will have various children's activities and will provide pizza and hotdogs. Children will be supervised. The day will conclude with our professional style weigh-in.

How You Can Help
