

# KIRK HERBSTREIT

Every Saturday morning during College Football Season, you can count on Kirk Herbstreit to lay out what you should expect from the teams on the field that day.

The Ohio native and former Buckeye Quarterback has been a part of ESPN's College Game Day since 1996 and their main analyst to breakdown College Football.

This 2 time Sports Emmy Award winner for Best Studio Analyst will be in the Valley for United Way's 13th Annual Champions Among Us.

Herbstreit is no stranger to Champions. He's been around College Football's greats for more than two decades. He's called 8 Rose Bowl Games and 7 BCS National Championships.

Join us as the former Ohio State Buckeye and ESPN Analyst shares his stories and insights into the world of College Football.
