Gloria Jones & Fireline, Inc. sponsor Success After 6 in Honor of Late Husband

November 30, 2017

(Youngstown, OH) –Gloria Jones and Fireline Inc. are sponsoring the United Way of Youngstown and the Mahoning Valley's Success After 6 initiative at Martin Luther King Jr. Elementary School in the Youngstown City School District. Jones, her son David Jones, and representatives from Fireline Inc. presented United Way with a check for \$50,000 in honor of her late husband Roger D. Jones.

"We are honored to receive such amazing support from Gloria Jones and her family. We hope to honor her husband through all the positive work we are doing within the Success After 6 initiative." said Bob Hannon, President of the United Way of Youngstown and the Mahoning Valley. "Our United Way is working to break down barriers that our students and families face so they can achieve success, and we can only do that through great community partnerships like this one with Fireline."

Success After 6 is in seven elementary schools in Youngstown and Girard. The early childhood education initiative is focused on grades kindergarten to sixth grade. It provides wraparound services such as tutoring, vision screenings, food pantries, and family engagement events to students and their families. It also provides after-school programming with additional academic support and enrichment opportunities for 100 children in each school.
