*Where there is Need in the Valley, Women Lead.*

That is the credo of Women United! a group comprised of 200 Valley Women from all walks of life. The grassroots group is entering its third year with its passionate and caring women dedicated to making a tangible impact on the lives of our Valley's children through volunteering in early Education.

Its members are integral in several United Way programs - giving their time to mentor sixth grade girls in the Young Women's Mentorship Program, tutoring elementary school children in Project More, Report Card Mentoring and Success After 6.

Please join us for this exciting day marking the Power of Women in our Valley!
