MY IMPACT

Please select your impact preference below.

- COMMUNITY IMPACT FUND - The best way to help the most people! **OR**
 Please designate my gift to another 501(c)3 organization.

With my \$100 total annual gift, I may designate up to one-half to a specific non-profit organization that provides health and human services in the local area. The other half of my gift will support the Community Fund. If the agency I designate does not qualify as a local 501(c)3 health and human service organization, then my gift will automatically revert to the Community Fund. No goods or services as whole or partial consideration are provided in exchange for this contribution. We do not rent, trade or sell lists of donors. Please keep a copy of this form for your tax records. You will also need a copy of your pay stub, W-2, or other employer documentation showing the amount withheld and paid to a charitable organization. Please consult your tax advisor for more information.
