

Emergency services

Directing immediate attention to those compromised in their health, home, or safety.

SATURDAY OF CARING
A UNITED WAY OF YOUNGSTOWN & THE MAHONING VALLEY INITIATIVE

Food access remains a critical issue for our neighbors, many of whom are still unable to get out of their homes for groceries and basic necessities. Our Saturday of Caring started in partnership with the Muransky family as a response to the pandemic but continues strong today.

Households
425

We increased from 400 to 425 households with the help of the Campbell Police force over the summer. In December, we added an additional 100 households for the holidays.

Volunteers
150

Each month, 100-150 volunteers meet at the Southwoods Hospital Campus, rain, shine, snow, and ice. Our dedicated volunteers show up every month, regardless of the weather, to ensure our families receive the food.

717

Individuals served Monthly.
263 Seniors
240 Adults
214 Children

Women United, established in 2014 has played a critical role in providing students and families with the necessities to be successful through United Way's education initiatives. As unexpected needs arise throughout the year, Women United is there to aid with food, clothing, and hygiene kits. Each year, dedicated women volunteer their time at Women's Wednesday events to ensure help is there at a moment's notice. Where there is Need... Women Lead.

Women's Wednesday

3 volunteer events hosted
1,000 kits sent to SA6 students including summer learning, hygiene, and winter gear.

Emergency Funding

29 basic needs requests filled.
336 students and families served.

Investments

100- \$50-holiday food gift cards given to support students and families.
\$23,000 invested back to assist 1,436 students and families in 2022.

"I couldn't be prouder of our Women United Team and to everyone who showed their support and gave of their time over 2022. Giving children a sense of hope and investing in their confidence so they can be successful in school was and continues to be our mission and the impact we made last year was beyond successful. "
