as we heal and rebuild a healthier,  
stronger community **TOGETHER.**

**JOIN THE FIGHT AND DONATE.**

**BECAUSE OF YOU** the United Way of Youngstown and the Mahoning Valley is there at a moment's notice to help your neighbors and community in uncertain times. We are your United Way and with your gift, we will... **RISE UNITED!**

**2,800**  
people received  
food delivered  
to their door

**\$80,000**  
in grocery store  
gift cards to  
families in need

Your United Way provided \$80,000 in food vouchers to 2,000 families in 19 school districts across the Mahoning Valley. This allowed them to get what they needed as many faced layoffs. We will continue to work with school districts to identify families in need.

Your United Way volunteers will continue to deliver food to seniors, shut-ins, and families throughout the Mahoning Valley who can not or should not be out during the threat of Covid 19.

**\$140,000**  
in emergency  
funds to partner  
agencies

**Engaged  
Success After 6  
students in  
Virtual After  
School**

Your United Way quickly adapted when schools closed, by creating a virtual after school program for our children in 8 schools. We offered additional academic support and fun enrichment activities via zoom, Facebook, and phone calls. We have also adapted our Success By 6 program to virtually help students prepare for kindergarten in the summer.

Your United Way distributed additional emergency funding to our partner agencies who are doing essential work to provide for our neighbors in need during the Covid 19 pandemic.
