UNITED WE FIGHT

The past year has radically altered our lives and our community.

But it hasn't altered our mission.

The United Way of Youngstown and the Mahoning Valley is **RISE** up to lead the way in our community's recovery. Shaping our programming to serve the most vulnerable. Re-inventing the way we connect and assist those in need.

With your help, we have been able to meet the challenges of the past year head on.

Together we are here to help our neighbors through these uncertain times.

Together we are impacting thousands of lives.

UNITED WE RESPOND

Together we registered over 6,500 children for the Imagination Library initiative. Each child receives one free book every month from **birth to age 5**.

We are striving to increase the number of children registered by **25%** over the next year.

Together we distributed **\$175,000** in grocery store gift cards to students and families in need across the Mahoning Valley's 19 school districts.

We will continue to work with school districts to identify and serve families in need.

UNITED WE RECOVER

Together we delivered food to more than 340 families unable to get out during the pandemic. Serving over 7,500 people.

We will continue these efforts to provide the most vulnerable in our community with the essentials they need.

Together we provided over \$200,000 in additional COVID-19 related funding to our partner agencies.

We will continue to work with and fund our 35 non-profit partner agencies to further serve our neighbors in need.

Together we re-invented our educational programming preparing over 450 students for virtual learning.

As students return to school for in-person classes, **We** are shifting our Success After 6 programming to prepare our youth to return and be successful in the classroom..
