

United Way of Youngstown and the Mahoning Valley

Emergency Services

Directing immediate attention to those compromised in their health, home, or safety.

Satur-Day of Caring

Thousands of individuals receive monthly support through Satur-Day of Caring. 125 volunteers come together to serve 400 households.

We have partnered with The Muransky Companies to prepare bags onsite at the Southwoods Health headquarters in Boardman. Our volunteers meet us every third Saturday of the month to bag food and other supplies.

Thank you to the Mahoning County Commissioner for the support through the American Rescue Plan.

Not only does this serve our community with essential aid, but it has also created friendships and life-changing moments. The recipients of Satur-Day of Caring deliveries look forward to seeing the volunteers each month and have even celebrated birthdays together.

Women United

Women United was established in 2014 and has grown into a group of passionate and caring women dedicated to making a tangible impact on the lives of our Valley's children.

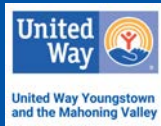

The ladies of Women United helped develop the Care Closet concept that will be in 4 Youngstown City schools. They will address basic and emergency needs of the students and their families.

Where there is a need, women **LEAD**.

RECIPIENT

"It's good for a person socially. You touch each other mentally, and through the heart. So I would say the United Way is the heart of Youngstown."

- Josephine Minor, Satur-Day of Caring Recipient

BECOME A PARTNER

We are seeking partners to sponsor our Emergency Services. Satur-Day of Caring and Women United events are hosted monthly, and we need your support to provide food and supplies to individuals who depend on our services. Connect with us to learn about volunteer opportunities!
