

WELCOME!

Dear Partner Schools,

A warm welcome to our returning and new Success by 6 program teachers and admin! We hope you are ready for this year's learning adventure. This is a time for children to expand and embrace a love for learning, their ability to get along with others, and curiosity in reaching out to the world.

We at the United Way of Youngstown and the Mahoning Valley are grateful to be able to partner with you and ensure that your students are set up for success as they begin their education journey! We look forward to visiting your programs and will be dropping off exciting learning tools, *Kindergarten, Here I Come!* bags, and family calendars for your students.

Please do not hesitate to reach out with any questions you may have about attendance tracking, assessments, funding logs, etc. We are here to help with whatever you may need.

Let's gear up and grow for a successful school year!
